Exercise No. 10: Copying and Moving Jobs

The screenshot displays the Jenkins web interface for a job named 'aaaa'. The top navigation bar includes the Jenkins logo, a search bar, and user information. The left sidebar contains a menu with options: Status (selected), Changes, Workspace, Configure, Delete Project, Move, and Rename. The main content area shows the job's status as 'aaaa', a 'Downstream Projects' section with a link to 'satheesh2', and a 'Permalinks' section. A 'Build History' widget at the bottom left indicates 'No builds' and provides links for 'Atom feed for all' and 'Atom feed for failures'. The bottom of the image shows a Windows taskbar with various application icons.
